There was once a group of daughters that escaped from a war torn town on a night train. The train mysteriously disappeared and the daughters were never seen again. No one knows what happened to them. Folklore has it that it was a phantom train sent by spirits to deliver them from the terror of this world.

Take a nightmarish fairground ride through a maze of darkened tunnels where ghostly ladies in tattered vintage dresses haunt sinister trains and abandoned stations.

Inhabited by extraordinary live performers, creepy animatronics, spectacular magic illusions, eerie moving sets, and a dazzling show of lights, Carnesky's Ghost Train, the quirky arthouse funfair ride is being resurrected to spectacular proportions in the heartland of the British seaside.

Dare you try Carneskys Ghost Train and experience you will NEVER forget!

Each ride lasts 10 minutes
